Dear ~~Mr.~~ and Mrs. Adams:

Each year the New York State Office of Parks, Recreation and Historic Preservation recognizes excellence in the preservation and rejuvenation of New York's historic and cultural treasures. This year it is our honor and pleasure to present a **2017 New York State Historic Preservation Award** to the Beaverkill Covered Bridge Rehabilitation. Your commitment to revitalizing the bridge has made an important contribution to preserving this rare surviving local landmark for the greater public good.

Please join us at this year's awards ceremony, which will be held on Thursday, December 7, at 2:30 pm at the New York State Museum's Huxley Auditorium in Albany. The ceremony will follow the quarterly meeting of the New York State Board for Historic Preservation and provides the perfect opportunity to celebrate outstanding preservation achievements from across the state. We hope that you and your project partners will be there to receive the recognition that is your due. Please RSVP to [Daniel.McEneny@parks.ny.gov](mailto:Daniel.McEneny@parks.ny.gov) or call 518-268-2162. Parking is free after 2:00 p.m. and accessed is from the two lots adjacent on Madison Avenue. Your colleagues and guests are welcome to attend!

We admire and appreciate all that you and your project partners have done to preserve and revive New York's rich heritage. Best wishes and congratulations on this much-deserved award.

Sincerely,

  
Rose Harvey  
Commissioner
